

# The Luminance Project: Weekly Progress Report

Website: <http://luminance.sf.net>

Matthew Colyer

**9.20.2002**

- Created a Launch Menu Icon.
- Moved & created header files to make the program's layout more intuitive
- Added file not found checking code
- Created a README and INSTALL files
- Created Debian packaging scripts
- Updated the website layout so it displays correctly in Internet Explorer
- Added sample configuration files
- Fixed rendering code so that the icons display at start
